Chapter 1

Battle Tank Single Mode

NOTE

You can use a wireless keyboard to play the game as well as the remote control. To avoid confusion in this manual, the word **Button** is used for the remote control. And the word **Key** is used for the wireless keyboard.

1.1 To use the wireless keyboard

You can use a wireless keyboard to play the game as well as the remote control.

To use the wireless keyboard, plug the wireless module into the USB port on the digital receiver.

NOTE

Use only the provided wireless keyboard. If you use other wireless keyboard besides the provided one, the digital receiver may not work properly.

To play the Battle Tank Single Mode, select the Entertainment > Game > Battle Tank (Single); then perform the following steps:

1. Select a game mode.
2. Select a character.
3. Buy items as you desire.
4. Select a map. If you play the game by yourself, you do not need to select a map.
5. Start playing.

If you want to out of the game while palying, press the **EXIT** button on the remote control or the Esc key on the keyboard.

1.2 Selecting a game mode

When you select the Entertainment > Game > Battle Tank(Single), you should see a screen like the left figure.

You can select a game mode as you desire. If you want to out of the game, select the EXIT option.

There are two modes as below:

Single play playing by yourself.

Double play playing with another user.

If you are using the remote control, select a mode with the  and  buttons and press the  button.

If you are using a keyboard, select a mode with the up and down arrow keys and press the space bar.

1.3 Selecting a character

After selecting a game mode, you should see a screen like the left figure.

Select a character referring to Table 1.1.

If you select the , a character will be chosen randomly.

When you play the game first time, you can select only two characters. To get a new character, you have to play the single mode and clear all stages (13 stages).

Table 1.1: Buttons for selection

Action	Remote Control		Keyboard	
	1 Player	2 Player	1 Player	2 Player
Left			Left arrow	A
Right			Right arrow	D
Up			Up arrow	W
Down			Down arrow	S
Select			Space bar	Enter

You can see the selected character's information of the 1 Player on the left bottom of the screen. Also you can see the selected

character's information of the COM or 2 Player on the right bottom of the screen.

NOTE

You have to select a character in 30 seconds; otherwise, the character will be selected automatically.

1.4 Buying items

After selecting a character, you should see a screen like the left figure. Buy a item referring to Table 1.1.

When you finish selecting items, select the READY on the screen as follows:

- **1 Player with the remote control** : Select the READY using the **(MENU)** button and press the **(OK)** button.
- **2 Player with the remote control** : Select the READY using the **(F1)** button and press the **(F2)** button.
- **1 Player with the keyboard** : Select the READY using the Tap key and press the space bar.
- **2 Player with the keyboard** : Select the READY using the Q key and press the Enter key.

See the Appendix § A for detailed information of items.

1.5 Selecting a map

After buying items, you should see a screen like the left figure.

If you are using the remote control, select a map with the  and  buttons.

If you are using a keyboard, select a map with the left and right arrow keys.

After selecting a map, select the **START** on the screen.

If you are using the remote control, select the **START** using the  button and press the  button.

If you are using the keyboard, select the **START** using the Tap key and press the space bar.

NOTE

If you play the game by yourself, you do not need to select a map.

1.6 Playing the Battle Tank

When you start the game, you should see a screen like the below figure. Play the game referring to Table 1.2.

- ① The character's weapons.
- ② The angle of the character.
- ③ You can see the direction and speed of wind.
- ④ You can see the information of the character as follows:
 - ENERGY displays the character's energy.
 - POWER displays the power of shot.
 - MOVE displays the movement bar.
- ⑤ You can check your position and enemy's position on this mini-map.
- ⑥ You can use those items while playing the game.
- ⑦ Displays a current player.
- ⑧ Displays the attack time. If the time is over, turn will be changed to the other player.

Table 1.2: Buttons for playing

Action	Remote Control	Keyboard
Changing weapon	 	F3 F4
Changing angle	 	up and down arrows
Moving character	 	left and right arrows
Using items	   	F9 F10 F11 F12
Skipping turn		F5
Changing view of map	   	W A S D
Firing a shot		Space bar

NOTE

The same buttons and keys are used for 1 Player and 2 Player.

Chapter 2

Battle Tank Network Mode

To play the Battle Tank Network Mode, select the Entertainment > Game > Battle Tank (Network); then perform the following steps:

1. Select a game server.
2. Log on to the game server.
3. Joining a game.
4. Preparing to play the game.
5. Start playing.

While playing the game, use the Tap button to change column and the space bar to select. To move the highlight bar use the arrow keys.

NOTE

You can play the Battle Tank Network Mode only with the wireless keyboard which is provided with the digital receiver.

2.1 Selecting a game server

When you select the Entertainment > Game > Battle Tank (Network), you should see a screen like the left figure.

Select a game server with the up and down arrow keys and press the space bar.

Press the R key or alternatively select the REFRESH button on the screen to refresh when changing a game server or channel. To exit the game press the Esc key or select the EXIT button on the screen.

2.2 Logging on to a game server

After selecting a server, select the LOGIN button on the screen with the left and right arrow keys, and press the space bar; then you should see a screen like the left figure.

Enter your ID and password and select the OK button. After logging on, the LOGIN button on the screen will be changed to the START button. Select the START button and press the space bar.

2.2.1 Creating a new ID

To create a new ID, perform the following steps:

1. Select the **CREATE ID** button on the screen.
2. Enter new ID and password as you desire and insert the password again to confirm.
3. Enter your e-mail address.
4. Enter your name and select the **OK** button.

NOTE

Each receiver has only one serial number. You can create up to three IDs with the serial number.

2.2.2 Searching an ID

To search your ID, perform the following steps:

1. Select the **SEARCH ID** button on the screen.
2. Insert the serial number of your digital receiver and select the **OK** button.

2.2.3 Deleting an ID

To delete an ID, perform the following steps:

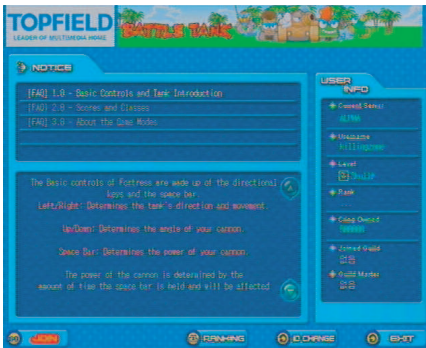

1. After logging on, the **SEARCH ID** button on the screen will be changed to the **DELETE ID** button.
2. Select the **DELETE ID** button and press the **space bar**.
3. Insert the serial number of your digital receiver.
4. Insert new ID and password. And then the selected ID will be deleted.

2.2.4 Changing a password

To change a ID, perform the following steps:

1. After logging on, the CREATE ID button on the screen will be changed to the CHANGE PW button.
2. Select the CHANGE PW button and press the space bar.
3. Insert the old password.
4. Insert a new password twice and select the OK button.

2.3 Joining a game

After logging on, you should see a screen like the left figure. You can see notices and user information at this screen.

Select the JOIN button on the screen to see the game list.

To check rankings, select the RANKING button on the screen.

To change ID, select the ID CHANGE button on the screen.

2.4 Preparing to play the game

Before playing the game, you can buy items and create a room.

2.4.1 Selecting a game room

After selecting the JOIN button, you should see a screen like the left figure.

Select a game using the navigation buttons of the remote control or the arrow keys of the keyboard.

If you want to create your own game room, select the CREATE button on the screen; then the create room screen appears. Enter a game name as you desire and select the OK button.

2.4.2 Buying items

When you select the SHOP button on the screen, you should see a screen like the left figure.

To buy items, perform the following steps:

1. Select a item you want to buy using the arrow keys and press the space bar.
2. If you want to buy a premium item, press the F1 key.
3. To buy a normal item, press the F2 key.

2.4.3 Ready to play

After selecting or creating a game room, you should see a screen like the left figure.

Select the **START** button on the screen to play. You have to wait until other users select the **START** when they are ready.

2.5 Playing a game

Refer to § 1.6 for how to play the game.

Appendix A
